

Appointment of new Business Development & Marketing Executive for Nigeria

ScanTech Offshore welcomes Prosper Okereke.

ScanTech would like to welcome the newest member to our team, Prosper Okereke, Business Development and Marketing Executive for Nigeria. Prosper joins ScanTech from 16 years industry experience within Halliburton in the West Africa region.

Starting his career in Oil & Gas in 1999 as a Mechanical Engineer with a Fabrication company, Prosper joined Halliburton in 2000 as an Engineer in Training under Tools and Testing TCP. From there he progressed to his role as Country/Area PSL Operations Manager, covering the West and Central Africa region for Testing & Subsea PSL.

Based out of Nigeria, Prosper will be focusing on the development of our business in the local market and filling the role of being ScanTech's dedicated representation for customers in country.

ScanTech Offshore Ltd is the leading provider of air compressors, steam generators, rig cooling equipment and qualified personnel for the well testing market sector worldwide. Find out more about ScanTech Offshore [here](#). For all Nigeria related enquiries contact Prosper direct at the information below.
